Log chidte hai mujhse main gaane gata hun  
Aur asli naam rakha billal  
Par mujhe pata hai ki khuda ko  
Dekhne ke raste pe nahin hu filhal  
Filhal iss duniya se ladra hun ladne de  
Jo paana chahta hu hasil to karne de  
Fir jo krunga khuda khud bolega  
Wah kya kiya kamaal..  
Tauba tauba badi baat nahin  
Badi badi meri soch hai  
Tere jaise salah dene wale milte roz hai  
Haan roz main yeh soch leke karta hun kaam  
Aaj nahin toh kal pehchanoge mera naam  
Par main naam bada karne nahin kaam badhane aaya hun  
Kisko kya karna hai jeeke sikhaya  
Jhukaya sar neeche dhyan manzil ke aur  
Mehnat mera haan macha dega shor  
Aaj main bore lagunga kyuki batein kathore  
Jo na samjhe baton ko unko main karta ignore  
Teri aur chale aayegi mehbooba bade pyaar se  
Kaamyabi payega jab mulakat kare har se  
Bahar se dikhta hu pyara ya fir dikhta chomu  
Andar mein mere jhanka kya, kya sachi mein main kon hun  
Tera sonu tera monu nahin khuda ka ek banda hun  
Mujhe pata hai main bahut zyada ganda hun  
Andha hun jaanke bhi anjaan main ban raha hun  
Itna hai leta nahin balboote chalra hu khudke  
Jhuk ke zara jhuk ke chalo raste kharab hai  
Sambhalke jhuk ke raste kharab hai  
Raste pe kankad, patthar, kanch, takleef mushkil  
Pareshaniya nahin hai..  
Raste pe main hu.. Hahahaha  
Maloom hai na..  
Main hun woh hu jo hu main  
Slow hun slow hu slow hu main  
Mera kash leke dekh  
Ek nahin do hun do hun main.
