Dho ke naha ke change bacche ban ke
Jay! shayl'aa ke
Kanghi shangi waah ke
Sheeshe moohá'ye bah ke zara der laga ke
Kaali kaali akkhiyaan ch surmah pa ke

Bathing and washing and sprucing ourselves up like good little boys
Styling our hair with gel
Combing our hair nicely
Spending a good bit of time perched before the vanity mirror
Applying kohl to our jet-black eyes

Asaan te jaana en billo de ghar
Bhayi kinnhe kinnhe jaana en billo de ghar
Asaan te jaana en billo de ghar

She who walks with an entrancing sway
Whose blossoming youth is playful and alluring
She who walks with an entrancing sway
Whose blossoming youth is playful and alluring
Whoever is stung by her deadly allure
Dies instantly, without a momentâ€™s respite

Dance in joy, boy!
Lose yourself in a lively and joyous dance, boy!
Hey, how will you strut to your father-in-lawâ€™s village?
Show us how youâ€™ll walk proud and straight, boy!
Hey, how will you strut to your father-in-lawâ€™s village?
Show us how youâ€™ll walk proud and straight, boy!

Lose yourself in lively and joyous dance!

Kutti mare faqeer di jihá¹›i chaaon chaaon nit kare
Haa¹-a¹-l saa¹›e karaaa¹› di jithe deewa raat balle
Ho panj sat maran gawaana •hanaan
Te rahndiyaan noon taap chaa¹›he
Sunjiyaan ho jaahn galiyaan
Wich mirza yaar phire

May the faqirâ€™s dog, who always whines at passersby, die
May the shopkeeperâ€™s shop, where a lamp always burns at night, burn down
May a few of the gossiping women in the neighborhood die
And may the rest come down with fever
May the streets of my neighbourhood become deserted
So that my beloved
Mirza can roam them freely and visit me

Ho tere laung da paya lashkaara
Ni billo saanoon hoosh bhul gaye
Ho tere laung da paya lashkaara
Ni billo saanoon hosh bhul gaye

The jewel of your nose-pin glinted in such an entrancing way
That we simply lost our senses, billo!
The jewel of your nose-pin glinted in such an entrancing way
That we simply lost our senses, billo!

I will bring her to my home in a wedding palanquin
Decked up in a bridegroomâ€™s garlands and ornaments, I will travel to her town
I will take along four or five hundred wedding witnesses
I will form a bridal party of my relatives
All my friends, young and old, will accompany me
Adorned in fine silken garments and fancy shoes

Dho ke naha ke changey bacche ban ke

We had made such great plans of traveling to billoâ€™s house
Of dancing joyously aboard the train to her village
Of treating ourselves to kulfis at the train station stops
but alas, poor us! The day we took out our procession
Section 144 got imposed in the city and a curfew was declared
but alas, poor us!
The day we took out our procession
Section 144 got imposed in the city and a curfew was declared

Fer wi jaana en
Fer wi jaana en billo de ghar
Paidal jaana en billo de ghar

But we will still go
But we will still go to billoâ€™s house
Even if we have to go by foot to billoâ€™s house
