Yaara zindagi ko jeene ka bahana hai yehi  
Hai bahana yeh purana, toh purana hi sahi  
Starters mein hai shararat, kar le mohabbat  
Donâ€™t blame it on me, just Blame The Night (Arijit Singh)  
Thodi raaton pe khumaariyon ki baarish karein  
Aaj beete nahi unsey guzaarish karein  
So just on a mohabbat kar le sharaarat  
Donâ€™t blame it on me, just Blame The Night..  
Blame the Night  
Blame the Night  
Blame the Night Blame the Night  
Blame the Night  
Blame the Night  
Blame it on the ni.. na na naâ€™! (Piyush Kapoor)  
Mood mein karo jo karo, shame na karo  
Main jo out ho gaya, mujhe blame na karo  
So just skip the sharafat, kar le mohabbat  
Donâ€™t blame it on me, just blame the night! (Aditi Singh Sharma)  
Meri chaahaton mein chaahaton ko apni mila  
Thoda peele mujhe aadha, thoda khud ko pila  
So just on hai mohabbat, kar le shararat..  
Donâ€™t blame it on me, just blame the nightâ€™! (Arijit Singh)  
Blame the Night  
Blame the Night  
Blame the Night  
Blame it on the ni.. na na naâ€™! (Aditi Singh Sharma)  
Madhoshiyaan si chaahat ki chhaane de  
Do ghoont aur chaahat pee jaane de  
Ye ruke na ab silsila  
Jaise chaahne tu pila  
Ab hoga na koi gilaa aa.. Blame the Night  
Blame the Night  
Blame the Night  
Blame it on the ni.. na na naâ€™!
