Hey easy sir
Debating on the diabolic
Diagnosis of divisive deliverance
Papad is a rhythmic
Replica of a jhapad
Where one relishes your hunger
And other relishes your anger
Similarly sir bachchan is also
A rhythmic rhyme
Replica of bol bachan
Where one represents
A magnanimous name
While the other represents
Horrendous game
Bol bol bol bol bol bol bachchan
Sun sun sun kya bole bachchan
Bol bachchan ki boli goli
Bol bachchan ki vaani shyaani
Bol bachchan ka qatra khatra
Bol bachchan ki bhasha jhansa
Iski taal taal hai satrangi
Chaal dhaal hai atrangi
Din mein bhi dikha de
Ye taare rang birangi
Bol bol bol bol bol bol bachchan
Sun sun sun kya bole bachchan
Jisne bhi lagaya
Makkhan haaye haay
Nikla phir woh hi dhakkan
Jisne chheda ye
Sargam kya baat hai
Uski jholi mein saawan aah haa
Jisko samjhe toh awesome
Mohabbat ka hai mausam aah haa
Jisne bhi kiya ye item
Latka jaise pendulum pendulum
Pendulummmmm wah
Wah kya baat hai
Bol bol bol
Bol bol bol bachchan
Mere pitaji kehte hain ki
Mard ko kabhi dard nahi hota
Haan haan lekin
Aisa hi tu bol bachchan
Karta rahega toh
Eddy se sar tak dard hoga
Ya ya you talking
Not right then
Body pain from toe
Truck to headlight
Jhol jhal ke panghat pe
Behti hai jhooth ki nadiya
Wahaan se seedhe haath pe hai
Chhal kapat ki dagariya
Jhol jhal ke panghat pe
Behti hai jhooth ki nadiya
Wahaan se seedhe haath pe hai
Chhal kapat ki dagariya
Badi shaky shaky ye pagdandi
Vinaashkaale viprit buddhi
Tera bhar gaya ghada
Ab bharega kya tu tanky
Bol bol bol bol bol bol bachchan
Sun sun sun kya bole bachchan
Mere pitaji kehte hain ki
Daaru peene se liver
Kharab hota hai
Aur main kehta hoon ki
Bol bachchan se kuch
Kharab nahi hota
Hah loud tanky ghadi
Ghadi drama karta hai
Arey aise hi bol bachchan
Karta rahega toh
Aasmaan se girega
Khajoor mein atkega

Ya ya falling from skyscraper
Hanging into dry fruit and nut
Bol bol bol bol bol bol bachchan
Sun sun sun kya bole bachchan.
