Dhaage tod laao
Chandani se noor ke
Ghoonghat hi banalo
Roshihi se noor ke
Dhaage tod laao
Chandani se noor ke
Ghoonghat hi banalo
Roshihi se noor ke
Sharma gai to aagosh mein lo
Ho saaaso se uljhi
Rahi meri saasein
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Aa neend ka sauda karein
Ek khwaab de ek khwaab le
Ek khwaab to aankhon mein hai
Ek chand ke takiye tale
Kitne dino se yeh asmaan bhi
Soya nahi hai
Isko sula dea€
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Umrein lagi kehte hue
Do lafaj the ek baat thi
Woh ek din sau saal ka
Sau saal ki woh raat thi
Kaise lage jo chupchap dono
Palpal mein puri
Sadiyan beetadein
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Dhaage tod aalo
Chandani se noor ke
Ghoonghat hi banalo
Roshihi se noor ke
Sharma gai to aagosh mein lo
Ho saaaso se uljhi
Rahi meri saasein
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke
Bol na halke halke
Bol na halke halke
Hooth se halke halke
Bol na halke.
