Soch lo nahi nahi nahi
Meri aankhon mein dekho laali
Mera bole bole mera man bole
Mera dole dole mera tan dole
Mera bole bole mera man bole
Mera dole dole mera tan dole
Bole bole bole dole dole dole
Bole bole bole dole dole dole
Bole sakhiya ye man bole
Dole sawariya tan dole
Bole sakhiya ye man bole
Dole sawariya tan dole ho
Rut ye badal jaaye
Jab mera dil chaaye
Ankhiyon mein teri piya
Swarg nazar aaye
Baanhon mein aaja jiya
Tere bin na jaaye
A ja le chaloon tujhe
Sajani gagan mein
Chaand sitaare saare
Honge aangan mein
Too aur main jaha koi nahi ho
Aisi jagah waha sirf hamin hon
Baadalon ko odhe huye tera badan ho
Chaandani ko bhi jaana tujhse jalan ho
Dil ka garaar mere dil ka chaina
Tere varadaanon mein mujhako rahana
Mujhako rahana mujhako rahana
Mera bole bole mera man bole
Mera dole dole mera tan dole
Mera bole bole mera man bole
Mera dole dole mera tan dole
Bole bole bole dole dole dole
Ishq mera too hi meri
Mohabbat dole dole dole
Kaise bataaon tujhe
Apni chaahat dole dole dole
Ishq mera too hi meri mohabbat
Kaise bataaon tujhe apni chaahat
Har dhadakan mein sirf basi too
Saanson mein mahake
Tere jism ki khushaboo
Karati hoon yaara main teri ibaadat
Tujhse sanam meri rooh ko raahat
Too hi nasha hai too hi junoon hai
Teri aagosh hai mera suqoon hai
Mera suqoon hai mera suqoon hai
Mera bole bole mera man bole
Mera dole dole mera tan dole
Mera bole bole mera man bole
Mera dole dole mera tan dole
Man dole dole man dole
Man dole haan man dole.
