Wind like you feel it
Come make me belive it girl
Ill show you the secret
But if only you keep it
She move like dancer
With a face like priyanka
Move a bit closer
One look and its over
Muzhe pyar kar
Bekhabar
Dur dur jaa na
Tujhe dekh ke
Hogaya
Billo main deewana
Lak tera patla naale
Chad di jawani
Lagdi hai muzhko jaise
Husana di rani

Girl would you be my bombae
Coz ill ride for you like a ghana
Brap pap pay pay

Coz ill ride for you like a ghana
She really wanna be my..

Baby perfect teri grinding
Jaise perfect meri rhyming
Baby perfect teri body
Jaise perfect meri timing
Teri harkat ne muzhe banaya deewana
Ab bombay se ghana chalega bas yehi gaana
Baby rukhja aise mat kar
Karle reham thoda jaaye na koi marr
I love the way you move your lover body
Love the way you move your kamar
Baayjaan kare nuksaan
Ladkon ki le leti hai jaan
Floor pe aake naché jab
Ladkon ke mooh se nikle
Hey bhagwan..
She's from bombae
Told her say i'm from ghana
Girl would you be my bombae
Coz ill ride for you like a ghana
Brap pap pay pay
Bombay...
Told her say i'm from ghana
Girl would you be my bombae
Coz ill ride for you like a ghana
She really wanna be my..
Yeh dancer
Be my aferican dancer
Wohh dancer
Be my bollywood dancer...-2
