Kwahishon ka aaj saara gate kholdo
Zindagi ke aaj saare lut loon maze
Dar ke jiye toh bolo phir jiye kya live like king size thats the way
Zindagi ko aaj yun laga dunga le dard ki koi space na rahe
Darke jiyo toh bolo phir jiye kya live like kings as a drain
We are the fire, tuffano se khelenge
Apne haathon se apni, kismat ko hum likhenge
Tutke nasheme aaj yaar jumle kaun jaane kal phir aisa raat na rahe
Doston ka haath thamke tu chal kahi kal tere doston ka saath na rahe
Kalke har fikar ko ab tu kalke chod de
Tujhe jeena hai toh jeele sirf aaj ke liye
Bhul jaane tujo baate jane kal teri zindagi rahe ya na rahe
We are the fire, tuffano se khelenge
Apne haathon se apni, kismat ko hum likhenge
Subahon ki aarzun mein bethein hun kal ki mu mein
Kabhi tu sawera hoga haaa
Khushiyon ki chahon mein phir
Sapno ki gaaon mein phir apna basera hoga
Kwahishon ka aaj saara gate kholdo
Zindagi ke aaj saare lut loon maze maze
Dar ke jiye toh bolo phir jiye kya live like king size thats the way
Zindagi ko aaj yun laga dunga le dard ki koi space na rahe
Darke jiyo toh bolo phir jiye kya live like kings as a drain
We are the fire, tuffano se khelenge
Apne haathon se apni, kismat ko hum likhenge
