Ho ho ho ho&&&&.  
Sajna mere sajna o o o o&&&  
Bulbul ne bhi yun gul ko  
Pukaara nahi hoga  
Bulbul ne bhi yun gul ko  
Pukaara nahi hoga  
Jis dard se hum tumko diya  
Karte hain aawaaz  
Bechain mohabbat ka  
Kya khub hain andaaz  
Bechain mohabbat ka  
Kya khub hain andaaz  
Jis dard se tum humko diya  
Karte ho aawaaz  
Bulbul ne bhi yun gul ko  
Pukaara nahi hoga  
Jis dard se hum tumko diya  
Karte hain aawaaz  
Chaaht ke parwaane hain  
Aashiq apna naam  
Chaaht ke parwaane hain  
Aashiq apna naam  
Hum ko tadapane se hi  
Milta hain aaraam  
Hum ko tadapane se hi  
Milta hain aaraam  
Anjaam khuda jaane  
Achchha toh hain aaghaaz  
Jis dard se tum humko diya  
Karte ho aawaaz  
Bulbul ne bhi yun gul ko  
Pukaara nahi hoga  
Jis dard se hum tumko diya  
Karte hain aawaaz  
Dil ke lahuse likh di  
Humne prem kahaani  
Dil ke lahuse likh di  
Humne prem kahaani  
Tere hawaale kar di  
Apni yeh jindagaani  
Tere hawaale kar di  
Apni yeh jindagaani  
Afsaana likhe humne  
Leke naye alfaaz  
Jis dard se tum humko diya  
Karte ho aawaaz  
Bechain mohabbat ka  
Kya khub hain andaaz  
Jis dard se hum tumko diya  
Karte hain aawaaz  
Rangon ka hain mausam  
Khushboo ke hain mele  
Rangon ka hain mausam  
Khushboo ke hain mele  
Aake gale lag jao  
Abb kyo rahenge akele  
Aake gale lag jao  
Abb kyo rahenge akele  
Sach hain nahi bajta  
Sargam ke bina saaj  
Jis dard se tum humko diya  
Karte ho aawaz  
Bulbul ne bhi yun gul ko  
Pukaara nahi hoga  
Jis dard se hum tumko diya  
Karte hain aawaaz  
Bechain mohabbat ka  
Kya khub hain andaaz  
Jis dard se hum tumko diya  
Karte hain aawaaz.
