Maybe it s my not my rage,
Just stop me girl is not your place,
Imma gonna show how it s really done now,
In this game i m the ace..
Out in sunshine world,
Just wanna have fun,
Ohh i m a own damn girl,
That s a need to known.
Buri-buri-buri-buri
Kare burj-buri-buri-buri
Jo main hoon main hoon chahe jo kaho
Jaise ho meri hi baat ho..
Aate jate pani jaisi,
Esi hoon main yaa hoon vaise,
All them girls want to known
Aate jāate dekhe sare,
Piche hain kahde bechare&
All the boys sail oohhoo..
Out in sunshine world,
Just wanna have fun,
Ohh i m a own damn girl,
That s a need to known.
