Sambhalo ladko ko  
Apne bade uchakke hai  
Teri tarah hi ye  
Badmash bade pakke hai  
Sambhalo ladko ko  
Apne bade uchakke hai  
Teri tarah hi ye  
Badmash bade pakke hai  
Ye teri ladkiya ladko

Ko chup ke dekhti hai  
Ye teri ladkiya ladko  
Ko chup ke dekhti hai  
Teri tarah hi ye aankho  
Ko bada sekti hai  
Teri tarah hi ye aankho  
Ko bada sekti hai  
Teri tarah hi ye aankho  
Ko bada sekti hai  
Haye haye  
Ha hamare husn  
Se sara jaha roshan hai  
Isiliye to paresha  
Sara nation hai  
Wo kaun ho jo chaka  
Chaund pe nisar nahi  
Ye dil candle ki  
Roshni ka talabgar nahi  
Ye chaka chaund hamne  
Bijliyo se sikhi hai  
Tumhare husn ki  
Light badi fiki hai  
Jo bahas karte hai  
Wo log fool hote hai  
Jo bahas karte hai  
Wo log fool hote hai  
Nahi ho phool nahi  
Dam phool hote hai  
Nahi ho phool nahi  
Dam phool hote hai  
Aadmi ho ya payjama  
Khada kar diya hungama  
Aadmi ho ya payjama  
Khada kar diya hungama  
Mahanga pad jayega ladna  
Dekh warna  
Mere tum kya kar logi  
Pitayi jam ke hogi  
Maja tujhko chakha du  
Teri ghanti baja du  
Hoth hai tere andar  
Sakal se tu hai bandar  
Hawa aane do jao  
Hamara sar na khao  
Azab ladki hai kaisi  
Teri aisi ki taisi  
Teri aisi ki taisi  
Teri aisi ki taisi  
Teri aisi ki taisi  
Teri aisi ki taisi  
Aisi taisi aisi taisi  
Aisi taisi aisi taisi.
