Sab tithiya kaa chandrama, jo dekha chaho aaj
Dhire dhire ghunghata sarkaavo sartaaj
Chaand jaise mukhade pe bindiya sitaara
Nahee bhulega merree jaan yeh sitaara woh sitaara
Maana teree najaro me, mai hu ek aavaara ho aavaara
Nahee bhulega merree jaan yeh aavaara, woh aavaara
Saagar saagar motee milate, pavrat pavrat paaras
Tan mann aise bhije jaise barse mahue kaa raas
Pyaase gito kee ganga kaa tu hee hai kinaara
Nahee bhulega merree jaan, yeh kinaara woh kinaara
Kajaraare chanchal naino me suraj chaand kaa dera
Rup ke iss paavan mandir me hansa kare basera
Are kasturee ko khojata phirata hai yeh banjaara
Nahee bhulega merree jaan yeh banjaara woh banjaara
Chaand jaise mukhade pe bindiya sitaara
Nahee bhulega merree jaan yeh aavaara, woh aavaara
