Chaand ko dekho ji
Masti lutaae jaadu jagaae dil mein hamaare re
Chaand ye kahata hai
Dharati ki raani, hansati javaani, din hain tumhaare re
Pahali nazariya tori, dil mera le gayi gori
Hamane luta di duniya, aur tumane luta di chhori
Baat ye kaisi hai
Yuun na sataao, ham to sajan hain, nainon ke maare re
Raat hai bhigi-bhigi aur saath hai sajan tera
Meri tamanna ye hai, ab ho na kabhi savera
Raat ye teri hai
Taaron ki toli, nile gagan mein ye hi pukaare re
