Chaand taare phul shabnam tere bas me kya nahee  
Koyee aisee shay nahee jisame teraa jalwa nahee  
Dil me too hai dhadkno me too hai meree jaaneja  
Tere mere bich me hai rasta parda kaha  
Too jaha hain mai waha hu, mai jaha hu too waha  
Jhut kehata hu toh aaina uthaakar dekh le  
Apanee peshaanee ko ghunghat me chhupaakar dekh le  
Chhup nahee sakate meree jaan mere honthon ke nishaan, too jaha hain  
Too jaha hain mai waha hu, mai jaha hu too waha  
Teraa nuraanee mehal too rehanewaala arsh kaa  
Farsh pe tune bikhera hai ujaala arsh kaa  
Tere jalawo se hai roshan meraa mittee kaa makaan, too jaha hain  
Too jaha hain mai waha hu, mai jaha hu too waha
