Chahe koi khush ho chahe galiya hazar de  
Mast raam ban ke zindagi ke din guzar de  
Pi ke dhandhali kare to mujhko jel bhej do  
Sunghane me kya hai ye javab thanedar de  
Bhav agar badha bhi dale seth yaar gam na kar  
Khaye ja maje ke saath jab talaq udhar de  
Dhath tere ki  
Hava nikal gaya  
Jaikh lagao  
Chakka, pahiya, pampingh  
Bant kar jo khaye uspe apni jaan o dil luta  
Are jo bachaye maal usko jootiyo ka haar de  
Dhath tere ki phir hava nikal gayi
