Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!

Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!

Jab mere sath thi woh, meri khaas thi woh  
Meri shootar, mera nasha, meri ghaas thi woh  
Manali, Manali, kawwali, kawwali  
Vo dikhati Madhuri jab pehne woh saree

Mere munh mein hai gali woh mithi zabaani  
Vo gehara samandar main bahata hua pani  
Main shayar mawwali, tera pichala woh jali  
Ye asal na rani! Aha!

Zara ghoom kar dekh gaur se dekh  
Tu hi thi koi aur nahin dekh  
Har rasta hai apna main road se dekh  
Pachtayegi pachtayegi tu chhod kar dekh

Ye gana nahin gana ye ashqi diwana  
Kyon jale zamana to jalne de  
Shayad samjhegi woh mere marne pe  
Shayad samjhegi woh mere marne pe

Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!

Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!

Sun pagli haan maana meri galati  
Teri saheli aur meri nahin jamati  
Haan ye darkhwast hai, de raha nahin dhamaki  
Jab se tu mili kasam meri kismat chamki

Haan mana mai sanaki pyar hai  
Sirph tujhase aur dikhati nahin agali  
Aur koi bhi nahin mangati  
Haan de du har mala tu ban ja Vyjayanthi  
Aur koi bhi aa jave hila doonga dharati  
Bol tere papa, Mama ya Chacha ko

Goan ladka main desh bhar mein charcha hai  
Safal ho jaye jo ek bar tu charch aaye  
Public marti hai, ye tujhpe marta hai  
Sach bolun to khali tujhse darta hai!

Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!

Chal Bombay meri maa se milata hoon  
Chal ghar pe tujhe haath se khilata hoon  
Jo bhi bola woh hag se nibhata hoon  
Tujhe chahta hoon! Tujhe chahta hoon!
