O ladke divane, kaha se aaya tu
Dulhan ko le jane kaha se aaya tu
Chal pyar karegee, han jee, han jee
Mere sath chalegee, na jee, na jee
Arre tu ha kar ya na kar teree marjee soniye
Ham tujhko uthakar le jayenge, dolee me bithakar le jayenge
Ham ghar me kahee chhup jayenge, sang tere nahee ham aayenge
Chal pyar karegee, han jee, han jee
Mere sath chalegee, na jee, na jee
Arre tu ha kar ya na kar teree marjee soniye
Ham tujhko uthakar le jayenge, dolee me bithakar le jayenge
Ham ghar me kahee chhup jayenge, sang tere nahee ham aayenge
Chal pyar karegee, han jee, han jee
O gore gore mukhde walee, o kale kale nainon walee
Man meraa ehsan ke maine han kar dee
Tu varna kunwaree reh jatee, yeh shadee hamaree reh jatee
Chal pyar karegee, han jee, han jee
Mere sath chalegee, na jee, na jee
Ja mai nahee karti shadi vadi
Mujhko pyaree hai yeh aajadee
Mai toh apne babul ke bagon kee bulbul hu
Bas tujhse mujhe yeh kehna hai
Pinjre me mujhe nahee rehna hai
Bas tujhse mujhe yeh kehna hai, pinjre me mujhe nahee rehna hai
Chal pyar karegee, han jee, han jee
Mere sath chalegee, na jee, na jee
Aankhon se kajal le jayenge, julfon ke badal le jayenge
Arre ham aaye hain dur se, yu vapas na jayenge
Ham apanee sajaniya le jayenge, arre ham apanee dulhaniya le jayenge
Hey chal pyar karegee, han jee, han jee
Mere sath chalegee, na jee, na jee
Arre tu han kar, ya na kar teree marjee soniye
Ham tujhko uthakar le jayenge, dolee me bithakar le jayenge
Ham ghar me kahee chhup jayenge, sang tere nahee ham aayenge
Ham apanee sajaniya le jayenge, ham apanee dulhaniya le jayenge
