Hasino kee gaadee me, aashik kaa ghoda  
Bedard kismat ke haatho ne joda  
Muhabbat jataake, aankhe ladaake  
Chale aa rahe hain hajaamat kara ke, hoy  
Chale aa rahe hain hajaamat kara ke  
Kaha maine usase muhabbat karuga  
Tumhaare liye hee jiyunga marunga, ho jiyunga marunga  
Phataphat diya haaye re, phataphat diya ek chaanta jamaake  
Chale aa rahe hain hajaamat kar ke  
Kaha maine dil ko, hathelee pe rakh ke  
Yeh anmol motee hai, le lo parakh ke  
Jee le lo parakh ke  
Woh chalute bane achchha jee  
Chalute bane dil ko thokar lagaake  
Chale aa rahe.....  
Kaha tha bujurgo ne, dil naa lagaana jee  
Dil naa lagaana jee dil naa lagaana  
Muhabbat kee garmee se, daaman bachaana  
Ho daaman bachaana, ho daaman bachaana  
Magar abb toh baithe -2 hain daaman jalaake  
Chale aa rahe.....
