Haseenon ki gaadi mein aashiq ka ghoda  
Bedard ki smat ke haathon ne joda  
{muhabbat jata ke aankhen lada ke  
Chale aa rahe hain hajaamat kara ke, hoy!  
Chale aa rahe hain hajaamat kara ke}

-2

Kaha main ne us se muhabbat karoonga  
Tumhaare liye hi jiyoonga maroonga  
Ho jiyoonga maroonga  
Fataafat diya haay re  
Fataafat diya ek chaanta jama ke  
Chale aa rahe hain hajaamat kara kethreedots  
{kaha main ne dil ko hatheli pe rakh ke  
Ye anamol moti hai le lo parakh ke  
Ji le lo parakh ke}

-2

Vo chalate bane  
- achchha ji?  
Chalate bane dil ko thokar laga ke  
Chale aa rahe ...  
Kaha tha buzurgon ne dil na lagaana ji dil na lagaana  
Ji dil na lagaana  
Muhabbat ki garmi se daaman bachaana  
Ho daaman bachaana ho daaman bachaana  
Magar ab to baithe  
Magar ab to baithe hain daaman jala ke  
Chale aa rahe ...
