Chale aao chale aao  
Chale aao chale aao  
Koi wada nahi phir bhi  
Nigahe rah takti hain  
Tumhara ho hasi chehra  
Ye kaise bhul sakti hain  
Chale aao chale aao  
Chale aao chale aao  
Tumhari ek jhalak dekhi  
Magar betaba hain aise  
Badi pyari hamari chiz  
kho gayi jaise  
Usi didar ki khatir  
Tamannaye machalti hain  
Chale aao chale aao  
Koi wada nahi phir bhi  
Nigahe rah takti hain  
Tumhara ho hasi chehra  
Ye kaise bhul sakti hain  
Chale aao chale aao  
Chale aao chale aao  
Jise manga duaon mein  
Jis chaha khyalo mein  
Mila wo khwab sach bankar  
Hame dil ke ujalo mein  
Nazar ki khusnaseebi par  
Ye bahe rashk karti hain  
Karib aao karib aao  
Karib aao karib aao  
Simat aaye hai pahli hi nazar mein  
Fasle dil ke kasam khaten hain  
Hum tumse juda honge na ab milke  
Tumhare sath ye duniya hame  
Jannat si lagti hain  
Karib aao kareeb aao  
Karib aao kareeb aao  
Hamare pyar ki rahe  
Sajayi hai nazaron ne  
Ye dekho phul kaliyon ke  
Bikhre hai baharon ne.
