Chalo re dolee uthao kahar, piya milan kee rut aayee  
Pee kee nagaree le jao kahar, piya milan kee rut aayee  
Jin nainon kee tu hai jyotee, unn nainon se barase motee  
Dava nahee hai koyee jor nahee hai, beti sada hee parayee hotee  
Jaldee naihar se le jao kahar, piya milan kee rut aayee  
Chhaayee hai dekho hariyalee, aai hai rut khushiyo walee  
Har aasha parvan chadhee, din hai dasahara rat diwalee  
Gale dal bahon kaa har kahar, piya milan kee rut aayee  
Tan maike mann teree nagariya, udd jau mai banake badariya  
Chand nagar ko chalee chakoree, pyasee hu milan kee sanvariya  
Mere sapne sajao kahar, piya milan kee rut aayee  
Sunee padee bhaiya kee havelee, vyakul bahana rah gayee akelee  
Jin sang nachee jin sang khelee, chhut gayee woh sakhee sahelee  
Abb na deree lagao kahar, piya milan kee rut aayee
