Chand tu yaha hai aur chand tu waha  
Itna bas bata de mujhe man mera kaha  
Man mera kaha

Chand tu yaha hai aur chand tu waha  
Hath se nikal gaya hai mera bhola man  
Aankho me sama gaya hai kiska bhola pan  
Hath se nikal gaya hai mera bhola man  
Aankho me sama gaya hai kiska bhola pan  
Nind nahi aati mujhe rat hai jawa  
Rat hai jawa

Chand tu yaha hai aur chand tu waha  
Bekali badi hai badi hai kal ki aash bhi  
Chand mujhse dur chand dil ke pas bhi  
Bekali badi hai badi hai kal ki aash bhi  
Chand mujhse dur chand dil ke pas bhi  
Juangi khushi se waha dil gaya jaha  
Dil gaya jaha

Chand tu yaha hai aur chand tu waha  
Badlo ki palki me chandani chale  
Chandani chale

Maine abhi dekhi nahi chand ki gali  
Chand ki gali

Chand tu kaha mai teri chandani yaha  
Chandani yaha

Chand tu yaha hai aur chand tu waha  
Itna bas bata de mujhe man mera kaha  
Man mera kaha.
