Chandane phul sitare hawaye titliya badal  
Kabhee kabhee lagta hain sirf mohabbat karne walo ke liye bane hain  
Mohabbat karne wale na ho toh  
Jamin aur asman kee saree khubsuratee ka  
Koyee matlab hee nahee rahega  
Jane kitnee sadiyo se iss vadee me  
Jhar jhar karta gun gun gata, yeh jharna yu hee behta hain  
Jane kitnee sadiyo se iss vadee me  
Resham jaisee nam ghata ka, yeh sata yu hee reghta hain  
Jane kitnee sadiyo se iss vadee me  
Jane kitnee sadiyo se  
Phulo kee vadee inka rasta dekh rahee thee  
Yeh dono jo anjane hain begane hain  
Yeh dono jo aaj paraye hain  
Phulo kee vadee me aaye hain milne ko  
Pyar kee kaliya dono dilo me hain khilne ko  
Jane kitnee sadiyo se phulo kee vadee  
Inka rasta dekh rahee thee  
Jane kitnee sadiyo se - 3
