Kudiyon ka nasha pyare
Nashā sab se nasheela hai
Jise dekho yahaan woh
Husn ki baarish me geela hai
Ishak ke naam pe karte
Sabhi ab raas leela hai
Main karoон toh saala
Character dheela hai
HoA main karoон toh
Saala character dheela hai
Ladko ka nasha pyare
Nasha sab se nasheela hai
Jise dekho yahaan woh
Husn ki baarish me geela hai
Ishak ke naam pe karte
Sabhi ab raas leela hai
Main karoون toh saala
Character dheela hai
HoA main karoون toh
Saala character dheela hai
Like it like itâ€
Hai simple sa yeh formula
Hai love ka funda khokhala
Mujhe bas pyaas tu hi de
Cool cool cool rehta hai
Kisi ka haath tham ke
Hridaya kyun baad naam ke
I love you forever koi
Fool fool fool kehta hai
Isse pene se hai matlab
Jo yuwan santarila hai
Farak padta hai
Kya baahon mein
Munni hai ya sheela hai
Ishak ke naam pe karte
Sabhi ab raas leela hai
Main karoون toh saala
Character dheela hai
Ho main karoون toh saala
Character dheela hai
Yeh charcha faceboook pe hai
Maza bas ek look pe hai
Haseen cheehre का kaun
De dar dar dar dar karta hai
Jo dil ka photoframe ho
Wahan photo bhi same ho
Calendar ki tarah use
Roj roj roj roj change karta hai
Kamar patli ho jitni bhi
Maza utna naseela hai
Chalega jo bhi hai
Aankhon ka rang
Kaala ya neela hai
Ishak ke naam pe karte
Sabhi ab raas leela hai
Main karoون toh saala
Character dheela hai
Ho main karoون toh saala
Character dheela hai
Kudiyon ka nasha pyare
Nashā sab se nashila hai
Jise dekho yahaan woh
Husn ki baarish me geela hai
Ishak ke naam pe karte
Sabhi ab raas leela hai
Main karoون toh saala
Character dheela hai
Main karoون toh saala
Character dheela hai
Ho main karoون toh saala
Character dheela hai
Main karoون toh saala
Character dheela hai
Main karoون toh saala
Character dheela hai
Main karoون toh saala

Character dheela hai.
