Ho laga re laga nasha dhaturi, laga re laga bada jaruri  
Laga re laga pehali martaba  
Ho laga re laga jubaan pe thoda, ke jaise koyi chaat chatora  
Laga re laga pehali martaba  
Taaji karaari hai dhun ke utaari hai kismat garama garam  
Sab pe yeh bhaari hai aisi bimaari hai haay na sharam  
Chasaka chasaka laga hai chasaka chasaka  
Bura hai chasaka chasaka laga hai o o o  
Hey yeh chadh jaaye toh har duwaan, aur koyi dawa na asar karein  
Thoda tedha hai maanjara  
Hey yeh jag jaaye toh sarfira, khaab se bhara bin khabar karein  
Thoda tedha hai maanjara  
Hey aaye na paas aaye, har had se paar jaaye  
Yeh toh hai woh bala jo har sharaart aajmaaye  
Bachana tu laakh chaahe, koshish bekaar jaaye  
Kar ke bhi sau dalile sau vakaalat haar jaaye  
Taaji karaari hai dhun ke utaari hai kismat garama garam  
Sab pe yeh bhaari hai aisi bimaari hai haay na sharam  
Chasaka chasaka laga hai chasaka chasaka  
Bura hai chasaka chasaka laga hai o o o  
Hey yeh lag jaaye toh sar jhuka pir bhi bula na asar karein  
Thoda tedha hai maanjara  
Hey rab ko bhi phone tu laga har button daba na asar karein  
Thoda tedha hai maanjara  
Khud ko hi kyun banaaye, jhute nuske sunaaye  
Badale jo yeh haqiqat toh karimat ho hi jaaye  
Galati se jaag jaaye, dhoke se bhaag jaaye  
Tere bas mein na phir bhi yeh musibat taal jaaye  
Baaji karaari hai dhun ke utaari hai kismat garama garam  
Sab pe yeh bhaari hai aisi bimaari hai haay na sharam  
Chasaka chasaka laga hai chasaka chasaka  
Bura hai chasaka chasaka laga hai o o o  
Ho laga re laga nasha dhaturi, laga re laga bada jaruri  
Laga re laga pehali martaba  
Ho laga re laga jubaan pe thoda, ke jaise koyi chaat chatora  
Laga re laga pehali martaba  
Taaji karaari hai dhun ke utaari hai kismat garama garam  
Sab pe yeh bhaari hai aisi bimaari hai haay na sharam  
Chasaka chasaka laga hai chasaka chasaka  
Bura hai chasaka chasaka laga hai o o o
