Chhan nan nan naa naa.....
Shokh hasina yeh toh bata de teree ada me jadu kya hai
Kyon balakhaye kyon laharaye tere badan me kaisa nasha hai
Chhan nan nan naa naa.....
Bole chhan chhanan naa naa.....
Chhan chhanan meree payal bole
Dole san sanan naa naa san sanan naa naa purava dole
Chhan nan nan naa naa.....
Ui ude aanchal huyee jaye halchal
Chali hava angana kalai me kangana
Khanak jaye aur bole khan khan
Yeh bindiya damake yeh chunar chamake toh nas nas me ho jhan jhan
Kajare me dhul ke balo me khul ke raj hain dil ke khole
Bole chhan chhanan.....
Nai rut aayee kai rang lai
Nikalee naha ke mai gajara saja ke mai
Kanon me pahān ke balee
Tan ho gulabi jaise jam sharabee
Jaise aise lage hontho pe lalee
Pas jo aaye hosh ganvaye, sang mere woh hole
Bole chhan chhanan.....
