Chhoti si duniya mohabbat
Ki hain mere pas
Aur to kuch nahin hain
Chhoti si duniya mohabbat
Ki hain mere pas
Aur to kuch nahin hain
Chhoti si duniya mohabbat
Ki hain mere pas
Aur to kuch nahin hain
Lekin yeh dawa hain
Mera chahat ka aisa basera
Sare jaha mein nahin hain
Khushiyo ki daulat yahin hain
Chhoti si duniya mohabbat
Ki hai mere pas
Aur to kuch nahi hain
Hokar ke hum ek duje ke
Dukh sukhd ke atahi banenge
Mit jayengi uljhane sab
Milkar jo hum tum challenge
Rut aayegi jab baharo ki
Masti mein ghuma karenge
Din rat hothon pe apne
Chahat ke nagme khilenge
Bechain jo dil milenge
Chhoti si duniya mohabbat
Ki hai mere pas
Aur to kuch nahi hain
Jo bhi kamake main launga
Lakar tujhi ko main dunga
Tu jab uda degi sab kuch
Main tujhse jhagda karunga
Jab tum khafa hoge mujhse
Kuch pal main roothi rahungi
Phir dil hi dil mein mahalti
Shramke saurry kahungi
Aakar gale se lagungi
Chhoti si duniya mohabbat
Ki hain mere pas
Aur to kuch nahin hain
Lekin yeh dawa hain
Mera chahat ka aisa basera
Sare jaha mein nahin hain
Khushiyo ki daulat yahi hain
Chhoti si duniya mohabbat
Ki hain mere pas
Aur to kuch nahi hain.
