Chillake chillake chillake chillake
Chillake chillake chillake chillake
Chillake chillake chillake chillake
Chillake chillake chillake chillake
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Life ke bare mein oh ye
Hume na batao oh ye
Are kaise jina marna oh ye
Hume na batao oh ye
Sidhi sadhi chhori na na
Nahi hum sorry aa ha
Jiye chori chori oh no
Nahi hai jaruri ya ya
Ye kaise wo kaise
Na puchho hami se
Hum aise ya waise
Hum aise hai jaise
Let me be me let me be me
Let me be me let me be me
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Duniya ne jo chhina hai
Lamha wo jina hai
Masti ko pina hai chillake
Hum thode thode sanki hai
Hum thode thode santy hai
Fashion ke hum anty hai chillake
Humse karo na argue
Apni alag hai ique
Roke hume kyu bandhan
Life mein lenge na hum you turn
Ye mera irada na promise na wada
Na kam na jyada na pura na aadha
Let me be me let me be me
Let me be me let me be me
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Sehro mein jitni sadke hai
Utne sare ladke hai
Dil ke sare kadke hai chillake
Main aawara sajjadi
Mujhko pyari aazadi
Na mangu shadi wadi chillake
Har din hamara naya hai
Aankhon mein jalta diya hai
Dil ka ye suna aashiya hai
Na koi apna piya hai
Aawaze badhaye deeware giraye
Jo humko bhulaye
Ghataye chhu jaaye
Let me be me let me be me
Let me be me let me be me
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Life ke bare mein oh ye
Hume na batao oh ye
Are kaise jina marna oh ye
Hume na batao oh ye
Sidhi sadhi chhori na na
Nahi hum sorry aa ha
Jiye chori chori oh no
Nahi hai jaruri ya ya
Ye kaise wo kaise
Na puchho hami se
Hum aise ya waise
Hai jaise hai waise
Let me be me let me be me
Let me be me let me be me
Chillake chillake chillake chillake
Kehna hai chillake chillake chillake
Chillake chillake chillake chillake
Chillake chillake chillake chillake
Chillake chillake chillake chillake

Chillake chillake chillake chillake.
