Chitthee aayee hai aayee hai, chitthee aayee hai  
Chitthee aayee hai vatan se chitthee aayee hai  
Bade dino ke bad, ham bevatno ko yaad, vatan kee mitti aayee hai  
Chitthee aayee hai.....  
Upar mera nam likha hai, andar yeh paighaam likha hai  
O pardes ko jane vaale, laut ke phir na aane vaale  
Sat samundar paar gaya too, hamko jinda maar gaya too  
Khun ke rishte tod gaya too, aankh me aansu chhod gaya too  
Kum khate hain kum sote hain, bahut jyada ham rofe hain  
Chitthee aayee hai.....  
Sunee ho gayee shehar kee galiya, kante ban gayee bag kee kaliya  
Kehte hain ssawan ke jhule, bhul gaya too ham nahee bhule  
Tere bin jab aayee diwali, deep nahee dil jale hain khalee  
Tere bin jab aayee holi, pichkari se chhooti goli  
Pipal suna panghat suna, ghar shamshaan ka bana namuna  
Fasal kati aayee baisaakhee, tera aana reh gaya baakee  
Chitthee aayee hai.....  
Pehle jab too khat likhta tha, kaagaj me chehra dikhta tha  
Bund hua yeh mel bhee abb toh, khatam hua yeh khel bhee abb toh  
Dolee me jab baithee behna, rasta dekh rahe the naina  
Mai toh baap hu mera kya hai, teree mann ka haal bura hai  
Teree biwi karatee hai seva, surat se lagatee hai bewa  
Tune paisa bahut kamaaya, iss paise ne desh chhudaaya  
Panchhee pinjra todake aaja
