Na re nanna re
Chori bazari do naino ki, pehale thi aadat jo hat gayi
Pyaar ki jo teri meri umrr aayi thi woh ghat gayi
Duniya ki toh phikar kahaan thi, teri bhi abb chinta ghat gayi
Chanda re, chanda re
Tu bhi tu hai, main bhi main hoon, duniya saari dekh ulat gayi
Tu na jaane main na jaanu, kaise saaari baat palat gayi
Ghatani hi thi yeh bhi ghatana, ghatate ghatate lo yeh ghat gayi
Haan chori bazari do naino ki, pehale thi aadat jo hat gayi
Taarif teri karana hai, tujhe khone se darana hai
Haan bhul gaya abb tujhpe din mein char dafa marna
Pyaar khumari utari saari, baato ki badali bhi chhat gayi
Hamse main pe aaye aise, mujhako toh main hi main lut gayi
Ek huye the do se dono, dono ki abb raah kat gayi
Na re nanna re.....
Na re nanna re.....
Abb koi phikar nahi, gum ka bhi jikrr nahi
Haan hota hoon main jis raste pe aaye khushi wahin
Aajad hoon main tujhse, aajad hai tu mujhse
Haan jo jee chaahe, jaise chaahe karle raj yahin
Laaj sharam ki chhoti moti jo thi dori, woh bhi kat gayi
Chauwk chawbaare gali molhalle, khol ke main saare ghonghat gayi
Tu na badali mein na badala, dilli saari dekh badal gayi
Ek ghoot mein duniyadaari ki main saaari samaj nigal gayi
Haan rang biranga paani pike, sidhi saadhi kudi bigad gayi
Dekhake mujhako hasata gaata sadh gayi yeh duniya sadh gayi
Na re nanna re.....
