Apani aawaaz ki larzish pe to qaabu pa lo
Pyaar ke bol to honthon se nikal jaate hain
Apane tewar to sambhaalo ke koyi ye na kahe
Dil badalate hain to chehare bhi badal jaate hain
Chupake chupake raat din ansu bahaana yaad hai
Ab main samajha tere rukasaar pe til ka matalab
Daulat-e-husn pe darabaan bittha rakha hai
Gar siyaah-bakt hi hona tha nasibon mein mere
Zulf hota tere rukasaar pe ya til hota
Chupake chupake raat din ansu bahaana yaad hai
Hamako ab tak aashiqi ka wo zamaana yaad hai
Tujhase milate hi wo kuchh bebaak ho jaana mera
Aur tera daanton mein wo ungli dabaana yaad hai
Chori chori hamase tum aa kar mile the jis jagah
Muddatein guzarin par ab tak wo thikaana yaad hai
Dopahar ki dhuup mein mere bulaane ke liye
Wo tera kothe pe nange paanv aana yaad hai
Khainch lena wo mera parde ka kona daf atan
Aur dupatte se tera wo munh chhupaana yaad hai
Tujhako jab tanha kabhi paana to az-raah-e-lihaaz
Haal-e-dil baaton hi baaton mein jataana yaad hai
Aa gaya gar wasl ki shab bhi kahin zikr-e-firaaq
Wo tera ro ro ke bhi mujhako rulaana yaad hai
Waan hazaaraan iztiraab, yaan sad-hazaaraan ishtiyaak
Tujhako wo pahale-pahal dil ka lagaana yaad hai
Jaan kar hona tujhe wo kasad-e-paa-bosi mera
Aur tera thukara ke sar wo muskuraana yaad hai
Jab siva mere tumhaara koyi diwaana na tha
Sach kaho kuchh tumako ab bhi wo zamaana yaad hai
Gair ki nazon se bach kar sabaki marzi ke kilaaf
Wo tera chori chhipe raaton ko aana yaad hai
Dekhana mujhako jo baragashta sau naaz se
Jab mana lena to phir khud ruuth jaana yaad hai
Shauq mein mehandi ke wo be-dast-o-pa hona tera
Aur mera wo chhedana wo gudagudaana yaad hai
