Asli pariwar hai ye
Ye koyi dhanda nahi hai
Tujhse chhota aa ke maare tujhe
Ye bhi to saale banta nahi hai
Chhupe maar maar ke yahan pe pahucha
Tu hai chupa rustam maine bada socha
Teri shaqkal kisi se to milti hai
Tu hai kaamwali meri aaja jeeb se laga le pochha
Karde jhadu tere munh mein aake bhar ke jhaadu
Kone mein daasi banke baitha tera raja babu
Gaurav ko paala maine aasteen mein pala jha**u
Karun main kala jaadu tere liye mala la du
Kal hum maar denge tujhe artistaan mein
Kalamkaar wale baithe artistaan mein
Tu hai lonely maharaja khujli ga*nd mein
Beta ye praja teri kaalpanik hai maan le
Paancho ko chhod poori dilli tujhe dhund rahi hai
Tu hai chuhiya billi dekh aankhe mund rahi hai
Facts phenk ke maarun main mera mood nahi hai
Mere paas chuncha hai par saap ke liye doodh ni hai
Main itna mota tere jaise chaar rakh
Yeh hai gang rap ulta karke maar chakku
Akela kaafi hu na yaar aas paas rakhun
Bars maare baas tere munh mein pass pass rakhun
Main hu hathi tu hai cheeti jaise joke hai ye
Yeh hai delhi doge bt to phir maut hai yeh
Seedhe moot du main munh mein tere bohut hai yeh
Maha ra*di hai tu aur aakhiri shot hai ye
Bina baat ke ghussaya toone ankit khanna
Tere khet mein ghusayega phir ankit ganna
Tony kakkar nahi bachayega padega marna
Hari nagar mein phir roz tera maatam manâ€™na
Jai ho, main sach bata du sober hi tu theek tha
Kyun maal pila diya maine
Record kiya mere pehla gaana tune
Ye to bata woh bhi paise deke kiya maine
You are dead bro, tu hi dead broke
Jaake bread bech phir apni bread khoj
Main aun sapno mein wet kare bed roz
You are such a fool karwata hai tu red rose
Main na tupac, na ye west coast
Goli khayega phir bhi mera best dost
Karun checkmate jaise chess ho
Pagalkhane mein bharti ho rest lo
Main hu family guy ye saare bachhde
Tu akela ni hai sach bata sach mein
Ye saare jhooth tere munh pe nahi jach rahe
Main jaani dushman tabhi mujhe dass rahe
Main sar chadhta nahi kabhi das ke
Tu akela aaja le lunga main has ke
Tune photo daali bt ho gayi sach mein
Dushmano ko chhod raho doston se bach ke
Kisi ka saga nahi hai bas hype hi kamani hai
Jhoothi saale toone rishtedariyan nibhani hain
Faizal ki tarah sabka badla main lunga
Jinko bola bada bhai aaj aakho mein unke paani hai
Karun rapperâ€™on ko nashta tera karun dinner main
Saap se bhi thinner hai glass mein bhi thinner hai
Ladka suicidal hai kisi ka to jigar hai
Mujhe teri fikar hai tera hona zikar hai
Uthega janaza tere chaar log kidhar hain
Akela tu aaya tha akele hi tu idhar hai
Main hi teri mirtyu, main hi tera mitra hai
Hum zindgi ke bheetar hain aur zundgi ye bitter hai
Zindgi ye bikhar gayi isko sambhaal
Disco mein naach phir ek diss ko nikaal
Ban gaya tu bhagwaan ki misaal
Bachon aisa hota hai dekho nashtiko ka haal
Kaurav aise galat familyâ€™an na paal
Hum 5 nahi hum 2 the tu ganit ko sambhaal
Padi lakdi uthayi tune, khud marwai toone
Ek ko bhi bolega to hoga bura haal
Jai hind doston!
Isko views do
Ye sabka naapta hai isko nudes do
Ye bhool gaya hiphop wale rules ko

24 ghante mein mere ghante pe tum jhool lo
Main evil tujh myth dene aaya
Tu hai machchar tujhe hit dene aaya
Sar pe mat chadh shit likhne laga aaj
Subah tujhe maine flush mein bahaya
Famous hona tera bhi banta hai
Sach too much hai dogla banda hai
Dhanda saale tera yeh manda hai
Munhfaad flop hai ye jaanti janta hai
Bohat maar padegi tu khud ko cheere maar le
Tu mand budhhi hai tu dheere dheere gyan le
Teri bandi dikhati mujhko maamle
Phir kehti aise na tum jhaanko girehbaan mein
Congress ki tarah khaub aur sabko khane bhi du
Saas bahu wale taane har gaane mein du
Bada tez hai na sabko bhadhkane mein tu
Sab chhod jeevan bima hi kara le be tu
Tension na le tujhe jaldi khabar milegi
Jahan jahan dekhega teri jalti kabar milegi.
