Chutkan gang kyaa kehana
Hey chutkan gang kyaa kehana
Chutkan gang kyaa kehana
Bade bado ko sabakha sikha de
Jiski chaahein band baja de
Sher ko bhi hum billi bana de
Humsa koi kahan bar
Barkan gang ka kya kehana
Barkan gang ka kya kehana
Taaro ko dharti pe laade
Unche parbat ko bhi jhuka de
Mumbai se hi dilli dikhade
Humsa koi kahan bar
Barkan gang ka kya kehana
Barkan gang ka kya kehana
Haan thandi aahein bharta hain
Baat badi kyun karta hain
Humne jaana humne maana
Tu andar se darta hain
Haan thandi aahein bharta hain
Baat badi kyun karta hain
Humne jaana humne maana
Tu andar se darta hain
Aaj yahan jo dar jaayega
Samjho pyaare mar jaayega
Jeet kar baazi hum jaayenge
Soch ke aaye yahan
Barkan gang ka kya kehana
Barkan gang ka kya kehana
Kauan rang badalta hain
Hans ki chaal mein chalata hain
Meri taaqat meri himmat
Dekh ke ye to jhalta hain
Kauan rang badalta hain
Hans ki chaal mein chalata hain
Meri taaqat meri himmat
Dekh ke ye to jhalta hain
Hum ko kauan kehane wale
Chonch se aake chonch millade
Andaaza tujhe lag jaayega
Bach ke tu rehana
Chutkan gang kyaa kehana
Chutkan gang kyaa kehana
Hum hain raja hum hain heero
Soorat se lagate ho zeero
Hum se saari duniya haari
Lekin hain ab apni baari
Dekho humse na takrana
Mushkil hain tera bach ke jaana
Mitt jaayegi teri kahaani
Yaad aayegi tujhko naani
Maa ka dudha peeya jo aajaa
Aaj bajega tera baaja
Tu hain murga tu hain anda
Tu hain baigan tu hain banda
Murga anda baigan banda
Murga anda baigan banda
Murga anda baigan banda
Murga anda baigan banda hey
Bach ke tu rehana
Chutkan gang kyaa kehana
Chutkan gang kyaa kehana
Bade bado ko sabakha sikha de
Jiski chaahein band baja de
Sher ko bhi hum billi bana de
Humsa koi kahan bar
Chutkan gang kyaa kehana
Chutkan gang kyaa kehana
Hey chutkan gang kyaa kehana
Chutkan gang kyaa kehana.
