Tu hai ki hai nahi..  
Tu hai ki hai nahi..  
Tu hai ki hai nahi..  
Tu hai ki hai nahi..  
Your smile shining on my face  
I found it better to be lost in you  
Rather try and be the real me  
My mind was racing against my heart  
Hold you tight and feel the love  
Let me live with your beautiful soul  
Your smile shining on my face  
I found it better to be lost in you  
Rather try and be the real me  
My mind was racing against my heart  
Hold you tight and feel the love  
Let me live with your beautiful soul  
Main aas-paas tere  
Aur mere paas..  
Tu hai ki nahi  
Let me feel your love  
Let me feel your love  
Tu hai ki nah  
I want you close  
To me all the time  
Tu hai ki nahi  
Let me feel your love  
Let me feel your love  
Tu hai ki nahi  
Let me feel you close to me  
Hoâ€¦!  
Tere sapno ke bina main  
Aakhen band na kar sakoon  
Tuihe kho ke is jahan mein  
Meri rooh na paaye sukoon  
Inn aankhon ki nami ka  
Ehsaas hai teri yaadein  
Aaj main hoon adhura  
Kyon ki na rahi teri aadatein  
There are no words to define you  
How beautiful you are  
In your arms i found a place  
I feel there was some care  
I was chasinâ€™™ your shadow  
To a world life got insane  
I just want to be the reason  
That will take away all your pain  
Tu hai ki nahi  
Let me feel your love  
Let me feel your love  
Tu hai ki nahi  
I want you close  
To me all the time  
Tu hai ki nahi  
Let me feel your love  
Let me feel your love  
Tu hai ki nahi  
Let me feel you close to me.
