Darashan do ghanshyaam naath moree, ankhiya pyaasee re
Mann mandir kee jyotee jagado, ghat ghat baasee re
Mandir mandir murat teree, phir bhee naa dikhe surat teree
Yug bite naa aai milan kee, puranamaasee re
Dwaar daya kaa jab too khole, pancham sur me gunga bole
Andha dekhe langada chaal kar, pahunche kaasee re
Paanee pee kar pyaas bujhaau, nainon ko kaise samajhaau
Aankh michaulee chhodo abb, mann ke baasee re
Nibarl ke bal dhan nidharn ke, tum rakhwale bhaktjano ke
Tere bhajan me sab sukh paau, mite udaasee re
Nam jape par tujhe naa jaane, unako bhee too apana maane
Teree daya kaa ant nahee hai, he dukh nashee re
Aaj phaisalā tere dwaar par, meree jit hai teree har par
Har jit hai teree mai toh, charan upasee re
Dwar khada kab se matavala, mange tum se har tumharee
Narasee kee yeh binatee sunalo, bhakt vilaasee re
Laj naa lut jaye prabhu teree, nath karo naa daya me deree
Tin lok chhod kar aao, ganga nivaasee re
