Sunne walo suno  
Aisa bhi hota hai  
Dil deta hai jo woh  
Chain bhi khota hai  
Pyaar aisa jo karta hai  
Kyaa mar ke bhi mara hai  
Aao tum bhi aaj yeh sun lo  
Daastan hai yeh ke  
Ik tha naujawaan jo  
Dil hi dil men ek  
Haseena ka tha deewana  
Woh haseena bhi ki  
Jiski khoobsurti  
Ka duniya bhar men  
Tha mashhoor afsana  
Dono ki yeh kahani hai  
Jisko sabhi kehte hai  
Om shanti om  
Naujawaan ki thi aarzoo  
Uski thi yeh hi justjoo  
Us haseena men usko mile  
Ishq ke sare rangroop  
Naujawaan ki thi aarzoo  
Uski thi yeh hi justjoo  
Us haseena men usko mile  
Ishq ke sare rangroop  
Usne na jaana yeh nadahi hai  
Woh ret ko samjhaa ke paani hai  
Kyo aisa tha kisiye tha  
Yeh kahani hai  
Dastaan hai yeh ke us  
Dilkaash haseena ke  
Nigaahon dil men  
Koi doosra hi tha  
Bekhabar is baat se us  
Naujawaan ke khwabon ka  
Anjaam toh hona bura hi tha  
Tooten khwaabon ki is  
Dastan ko sabhi kehte hai  
Om shanti om  
Sunne walo suno aisa bhi hota hai  
Koi kitna hase utna hi rota hai  
Deewani hoke haseena  
Khai kya dhoke haseena  
Aao tum bhi aaj yeh sunlo  
Dastaan hai yeh ke us  
Maasoom haseena ne  
Jise chaaha woh  
Tha andar se harjaai  
Tang dil se dil laga ke  
Bewafa ke haath aake  
Usne ik din maat hi paai  
Ik sitam ka fasana hai  
Jisko sabhi kehte hai  
Om shanti om  
Kyo koi katil samajhta nahi  
Yeh jurm woh hai jo chhupta nahi  
Yeh daag woh hai jo mitta nahi  
Rehta hai khooni ke haath par  
Khoon us haseena ka jab tha hua  
Koi waha tha pauhauch toh gaya  
Lekin use woh bacha na saka  
Roya tha pyaar uski baat par  
Daasta hai yeh ke jo  
Pehchaanta hai khooni ko  
Woh naujawaan hai laut ke aaya  
Keh rahi hai zindagi katil samajh le  
Uske sar par chha  
Chuka hai maat ka saaya  
Janmo ki karmo ki hai  
Kahani jise kehte hai  
Om shanti om  
Kehte hai om shanti om  
Kehte hai om shanti om.
