O jaana meri jaana har haal mein hai tujhe paana
O jaana meri jaana har haal mein hai tujhe paana
Jo chaahе o kar le, jo chaahе kar le jamaana
Tere mere beech mein -2 abb koyi bhi aaye na
Tere mere beech mein -2 aaye jo koyi dushman, koyi dushman
De dana dan -2 dil mera bole de dana dan - 4
De de de de de de de..... de dana dan
Tujhe aise na chhodunga, kabhi main kasmе na todunga
Parawa na kar duniya se na dar, meri jaan iraada jaan le
Na ghabara abb na sharama, mujhe apana saawariya maan le
Tere mere beech mein -2 abb koyi bhi aaye na
Tere mere beech mein -2 aaye jo koyi dushman, koyi dushman
De dana dan -2 dil mera bole de dana dan - 4
Sabka baja du band baaja, saare gulaam hai main hoon raaja
O jo chaahu kar jaau, ishq mein tere mar jaau
Tere liye jindgaani tujhase meri kahaani
Teri adaaon pe kurbaan hoon
Tu mujhe pasand hai, sine mein jo band hai
Tera main wahi toh armaan hoon
Tere mere beech mein -2 abb koyi bhi aaye na
Tere mere beech mein -2 aaye jo koyi dushman, koyi dushman
De dana dan -2 dil mera bole de dana dan - 4
O jaana meri jaana har haal mein hai tujhe paana
Jo chaahе o kar le, jo chaahе kar le jamaana
Tere mere beech mein -2 abb koyi bhi aaye na
Tere mere beech mein -2 aaye jo koyi dushman, koyi dushman
De dana dan -2 dil mera bole de dana dan - 4
