Chhote chhote nannhe
Munne pyaare pyaare re
Bacche sache jag ke ujiyaare re
Deep deewaale ke jhoothhe
Aa haa
Raat chalen subah toote
Chhote chhote nanhe
Munne pyaare pyaare re
Bacche sache jag ke ujiyaare re
Deep deewaali ke jhoothhe
Aa haa
Raat chalen subah toote
Inke aage rang phheeke
Sab nazar aate hain
Chaand taare aa haa
Inse hi saare aa haa
Raushni paate hain
Inko dekhien
Dekh ke jhoomien
Baag ki daali daali
Phool bahaaron ke
Jhhoothhe aa haa
Aaj khilen aur kal toote
Chhote chhote nanhe
Munne pyaare pyaare re
Bacche sache jag ke ujiyaare re
Deep deewaali ke jhoothhe
Arre waah re pandu
Saath chalen subah chhote
Akkad bakkad bombay soo
Billi number poore sau
Sau mein lagaa dhaagaa
Chor nikalkar bhaagaa
Chidiyaa ghame raani raani bole
Ye hansen to
Hans paden sab
Royen to sab royen
Inki khaatir ham aap jaagen
Chain se ye soyen
Aadmi ki zindagi ka
Ye hai sachchaa sahaaraa
Aur sahaare sab jhoothhe
Aa haa aaj milen aur kal toote
Chhote chhote nanhe
Munne pyaare pyaare re
Bacche sache jag ke ujiyaare re
Deep deewaali ke jhoothhe
Raat jale subah toote
Deep deewaali ke jhoothhe
Raat jale subah toote
