Dekh dekh dekh dekh dekh dekh
Dekh dekh yeh ho na jaaye, waqt yu kahi kho na jaaye
Come on come on sing with me e o e o e
Aisa kahin ho na jaaye, waisa kahin ho na jaaye
You people e o e o e
Move your body, move your body, move your body now
Move your body, move your body, move your body now
Dekh dekh yeh ho na jaaye, waqt yu kahi kho na jaaye
Come on come on sing with me e o e o e
Aisa kahin ho na jaaye, waisa kahin ho na jaaye
You people e o e o e
Move your body, move your body, move your body now
Move your body, move your body, move your body now
Dil jawa hai, sab yahaan hai, kya sama hai, kya nasha hai
You gotta loose yourself baibe
Iss nashe mein jhoom ja tu, khud ko hi bhul ja tu
Just gonna loose yourself baibe
Ji le ha ji le tu mauka yeh jaaye na, jaadu iss pal tu chala le
Dekh dekh yeh ho na jaaye, waqt yu kahi kho na jaaye
Come on come on sing with me e o e o e
Aisa kahin ho na jaaye, waisa kahin ho na jaaye
You people e o e o e
Move your body, move your body, move your body now
Move your body, move your body, move your body now
Aaj ki yeh raat hai jo aaj tere saath hai
Jo what are you waiting for baibe
Abb chaahe jo ho jaaye, jo chaahe woh ho jaaye
What are you waiting for baibe
Ji le ha ji le tu mauka yeh jaaye na, jaadu iss pal tu chala le
Dekh dekh yeh ho na jaaye, waqt yu kahi kho na jaaye
Come on come on sing with me e o e o e
Aisa kahin ho na jaaye, waisa kahin ho na jaaye
You people e o e o e
Move your body, move your body, move your body now
Move your body, move your body, move your body now.
