dekho dekho janam ham dil apna tere liye laye
Socho socho duneeya me kyun aaye, tere liye aaye
Abb too hamen chahe, abb too hamen bhule
Ham toh bane rahenge tere saye
Dekho dekho janam ham dil apna tere liye laye
Socho socho duneeya me kyun aaye, tere liye aaye
Re ba ba ta rum ta rum, re ba ba ta rum yeah
Re ba ba ta rum ta rum, re ba ba ta rum
Re pa pa ta rum ta rum, re pa pa ta rum yeah
Yeh kya hamen huwa, yeh kya tumhen huwa
Sanson ke dariya me kulmul see hone lagee
Nayee hai yeh saja, saja me hai maja
Chahat ko chahat kee shabnam bhigone lagee
Abb aur kya chahe, abb aur kya dekhe
Dekha tumhe toh dil se nikli haye
Hey dekho dekho janam ham dil apna tere liye laye
Socho socho duneeya me kyun aaye, tere liye aaye
Ya ya ya ya ya ya ya ya.....
Ya ya ya ya ya ya ya ya.....
Suno jara suno, chuno hamen chuno
Aankho ne aankho se sharmake kuchh keh diya
Suna maine suna, chuna tumhen chuna
Shishe ne shishe se takrake kuchh keh diya
Hai pal murado ke, yeh pal hai yadon ke
Abb meree jan rahe ya chalee jaye
Dekho dekho janam ham dil apna tere liye laye, laye
Socho socho duneeya me kyun aaye, tere liye aaye, aaye
Abb too hamen chahe, abb too hamen bhule
Ham toh bane rahenge tere saye
Ae dekho dekho janam ham dil apna tere liye laye, laye
Socho socho duneeya me kyun aaye, tere liye aaye
