

## Dekho Ye Naari Hai Khota Lyrics - Haiwan :

Singer - [Kishore Kumar](#)

Lyricist - [Gauhar Kanpuri](#)

Music - [Bappi Lahiri](#)

Music Label - Polydor Music

Dekho ye nari hai khota rupaiya  
Dekho ye nari hai khota rupaiya  
Sadhu ka jadu bole re baiya  
Sadhu ka jadu bole re baiya  
Dekho ye nari hai khota rupaiya  
Sadhu ka jadu bole re baiya  
Sadhu ka jadu bole re baiya  
Chanan chanan chanan  
Paida hui hai jab se aafat  
Roz ke jagde roz musibat  
Roz ke jagde roz musibat  
Roz ke jagde roz musibat  
Paida hui hai jab se aafat  
Roz ke jagde roz musibat  
Neta apne aage  
Jhuth me kacha samjhe  
Neta apne aage  
Jhuth me kacha samjhe  
Ham jaise gyani  
Ko ji do sin ka bacha samjhe  
Chanan chanan chanan  
Dekho ye nari hai khota rupaiya  
Sadhu ka jadu bole re baiya  
Sadhu ka jadu bole re baiya  
Chanan chanan chanan  
Nar jo kamaye nari udhaye  
Mehnat pe apni  
Jadu phiraye, jadu phiraye  
Jadu phiraye, jadu phiraye  
Nar jo kamaye nari udhaye  
Mehnat pe apni jadu phiraye  
Apni akal ka busa  
Mardo ke sar me barde  
Apni akal ka busa  
Mardo ke sar me barde  
Ulte chure se ye to  
Hazamat karte  
Chanan chanan chanan  
Dekho ye nari hai khota rupaiya  
Sadhu ka jadu bole re baiya  
Sadhu ka jadu bole re baiya  
Chanan chanan chanan  
Nagin ke sang ho nari jo yari  
Nagin ko chodo bahi nari ko maro  
Nari ko maro, nari ko maro  
Nagin ke sang ho nari jo yari  
Nagin ko chodo bahi nari ko maro  
Nagin jo kate uske  
Mantar hai do so bawan  
Nagin jo kate uske  
Mantar hai do so bawan  
Jisko bhi chu le nari  
Thadpe vo sara jivan  
Chanan chanan chanan  
Dekho ye nari hai khota rupaiya  
Sadhu ka jadu bole re baiya  
Sadhu ka jadu bole re baiya  
Chanan chanan chanan  
Ha ise na samjhe gudiya  
Jahar ki hai ye pudiya  
Bane sant aur jogi  
Is ke dham se rogi  
Lute ghar maut mafi  
Hasi par maut mafi  
Iska jo jo makhra hai hai hai  
Choka hai satrah hai  
Sunte hai kamar hai  
Kaha hai kidar hai  
Phir bhi ye kahti hai  
Nahi hai magar hai  
Bado na na khel me  
Santo ke ke ger me  
Ha re ha ha re ha.
