Desh chhudaye bhes chhudaye  
Kya kya kare naa prit rama, kaa kya kare naa prit  
Rang badal dey dhang badal dey  
Prit kee aisee rit rama, prit kee aisee rit  
Kaga sab tan khaiyo, chun chun khayo mans  
Yeh do naina mat khaiyo mohe  
Mohe o mohe pat pat nee nee patnee, patnee milan kee aas  
Bajare kee khet me suratiya dikha jaa goree  
Sau mushkil se dil ko dil se, mila hai mann kaa mit rama  
Mila hai man kaa meet, des chhudaye  
Aa ha, aa ha.... tumharee najar kaa yeh pehla ishara  
Churake mera dil huwa nau do gyarah, kiya mom tune bade sang dil ko  
Jo mara bhee ton kaise mujhi ko mara  
Mara mara mara mara ma rama ho, rama ho, rama ho rama  
Rama ho  
Sham savere hardam tere gaye yeh manwa git rama  
Gaye yeh manava git, des chhudaye  
Najar bandhee hai jab dhaga ga ga ga ga  
Meree jan chahnewala la la la la  
Badee difee badee difee kaltee kaltee, difikaltee se milata hai  
Takila lakila habahuba labaluba  
Dhum tak dhum tak tak ta dhum  
Bhaudika bhibidika bhaudika bhaudika, bhaudika bhibidika dee ta ta  
Bhibidika bhaudika bhaudika bhibidika, bhibidika bhaudika vu hu hu  
Jack and jil went up the hil in search of luv  
Both fel down and then they found they are drowned in luv  
Kismat paltee, yeh difikaltee, ban gayee sundar prit rama  
Ban gayee sundar prit, des chhudaye.....
