Ganapatee bappa moraya, mangal murtee moraya  
Deva ho deva ganapatee deva tumase badhakar kaun  
Swamee tumse badhakar kaun  
Aur tumhare bhaktajano me hamse badhakar kaun  
Hamse badhakar kaun  
Adbhut rup yeh kaya bharee mahima badee hai darshan kee  
Prabhu mahima badee hai darshan kee  
Bin mange puree ho jaye jo bhee ichchha ho man kee  
Prabhu jo bhee ichchha ho man kee  
Bhakto kee iss bhid me aise bagula bhagat bhee milate hain  
Han bagula bhagat bhee milate hain  
Bhes badal kar ke bhakton kaa jo bhagawan ko chhalte hain  
Are jo bhagawan ko chhalte hain  
Chhotee see aasha laya hu chhote se mann me data  
Iss chhote se mann me data  
Mangane sab aate hain pahale sachcha bhakt hee hai pata -2  
Ek dal ke phulo kaa bhee alag alag hai bhagya raha  
Prabhu alag alag hai bhagy raha  
Dil me rakhana dar usaka mat bhul vidhata jag raha -2
