Dham dham dharam dharaiya re, sabse bade ladaiya re
Omkara, hey omkara
Hey omkara re, omkara
Arre dham dham dharam dharaiya re, sabse bade ladaiya re
Omkara, hey omkara, hey omkara re, omkara
Aankhe tej takaiya do toh jib saamp kaa phunkaara, omkara, hey omkara
Arre bijuree sa pondhe? sar pe, jiskee talvaar kaa jhankaara
Omkara, hey omkara, omkara re, omkara
Omkara, omkara, omkara, omkara re, omkara
Maathe par tirsul ke jaise tin tin bal badhate hain
Arre kaan pe jooenge toh bhaiya ran baja chal padhte hain
Galee galee me, arre galee galee me
Galee galee me bhay baitha hai, chaunk pe gunja hunkaara, omkara
Arre dhum dhum dhum, dham dham dharam dharaiya re, sabse badhe ladaiya re
Omkara, hey omkara, hey omkara re
Jhanan jhanan jhanan chankaara
Badh bhaiya bhaiya badh bhaiya omkara
Omkara
Chat par aakar gidh baithe aur parnaalo se khun bahe
Arre kaun gira hai, kaun kata hai, kisma dam hai kaun kahe
Chhakke chhut gaye dushman ke, omkara
Chhakke chhut gaye dushman ke, dharatee maange chhutkaara
Omkara, hey omkara, omkara re omkara
Arre dham dham dharam dharaiya re, sab se badhe ladaiya re
Omkara, hey omkara
Hey aankhe tej takaiya do, too jib saamp kaa phunkaara
Omkara, hey omkara
Arre bijuree sa pondhe sar pe, jiskee talvaar kaa jhankaara
Omkara, hey omkara
Chhakke chhut gaye dushman ke -2, dharatee maange chhutkaara, omkara
Jhanan jhanan jhanan chankaara
Badhe bhaiya bhaiya badhe bhaiya -2 omkara
Omkara re, omkara
