Dharatee kee god me, aasman ke chhanv me
Kab se khada hai yah tāj, chhupaye mann me mohabbat kaa raj
Ke sun lo isakee dil kee aawaz
Duniya ke aashiko, duniya ke premiyo
Sun lo mohabbat kaa raj
Patnee ke vaste bivee ke vaste
Banata yaha aisa taj
Bivee ko chhod ke gairo se jor ke, tode jo apano se prit
Paiso ke vaste aisee mahalo me, gaya nahee jaye git
Kabhee gaya nahee jaye git
Begam ke rup me soya hain pyar yaha, aahista aahista bol
Apne jigar ko shehanshah ke iss premee kaleje se tol
Mandir yeh pyar kaa, tirath sansar kaa
Ulfat kaa hai yeh majahar
Bhatake huye ko kehata hai bar bar
Sun lo re iss kee pukar
