Dharti tujh par naaz kare
Aur karta fakar gagan
Sare gun hain tujh mein samaye
Dunia kare naman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Lahro se uthta hain teri
Madhur madhur sangeet
Tujhme hain sargam ki dhara
Nikle cham cham geet
Chup chup hokar bal khati
Tu bahti jaise pawan
Kirne jab tujhko chume to
Machle tera tan
Dharti tujh par naaz kare
Aur karta fakat gagan
Sare gun hain tujhme samaye
Dunia kare naman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Khusboo teri gulshan me hai
Kheto ki tu rani
Tujhme hai anmol khazane
Sona tera pani
Jaise tera tan hain nirmal
Waisa tera man
Khushiya deti hain tu sabko
Jiski jaisi lagan
Dharti tujh par naaz kare
Aur karta fakar gagan
Sare gun hai tujhme samaye
Dunia kare naman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Ganga tera naam aman
Lekin jab julmo ka saya
Had se badh jaye
Barhma vishnu shiva ki shakti
Tujhme aa jaye
Mauje teri chikh uthi
Aur zulm ka ant kare
Tera irada phir bhi atal hai
Papi bach na paye
Rup tu durga ka legi
Aur sar par legi bandh kafan
Asht bhujha wali bankar tu
Aaj kar dushto ka gaman
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan
Ye hain ganga ka vachan.
