Boys and girls
Itâ€™s showtime
Know what Iâ€™m sayin
Everybody raise your hands
Thereâ€™s about to be a party
Riding the big bike and
Shaping with pen knife and
Shaking the high five and
Attitude
Girls of the institute
69 latitude
Instead of gratitude
Attitude
(So what)
Bubblegum poppings ah
Hip hip hoppings ah
Bangkok shoppings ah
La di dah di dah dah
Pink pink frockings ah
Tight tight stockings ah
Heart is rockings ah
Dancing samba CHORUS:
Dheaon dheaon dheaon dheaon dheaon dheaon
(Ha ha thatâ€™s right)
Dheaon dheaon dheaon dheaon dheaon dheaon RAP:
Ladies look at us and ask â€œwho is that hottieâ€•
Machas with attitude movinâ€™ the party
Chillin with homies, we keepinâ€™ it fly
And sippinâ€™ everything thatâ€™s gettinâ€™ us high
Bump into women who prancing
I aintâ€™ sure, but I guess theyâ€™re dancing
And the only question running in my mind is
Do you wanna make fraaandship?
Life is a kettle without no friends
Thatâ€™s empty, rusted, old with dents
(Uh) Possessive with feelings intense
Forever, irrespective of the expense
(Uh) Together, we partners in crime
(Uh) Better and perfected with time
The only question running in my mind
Is, do you wanna make fraaandship?
Five star
Coffee bar
Chal na jaar
Shanivaar
Liking the late-night outings
(Thatâ€™s right)
Very far
To the bar
Ek baar
In the car
We will do cootchie coo make-outings
(Donâ€™t be naughty)
With a roar
Through the door
Teri ore teri ore
Hungry tiger is walking
Gimme more
Mon amour
Dil ka chor
Banaa mor
Suddenly feelings are talking
Liking the lip lockings
Pressure like in Hawkins
Punch in the eye sockings
Attitude
(Attitude)
Ha ha funny jokings
Looking so hot smoking
Naughty eye stroking
Attitude
Faking the Gucci ah
Hep like sushi ah
Shakinâ€™ the tooshie ah
La di dah di dah dah
Gum gum gapoochie ah

Cooing the cootchie ah
 We will do the smoochie ah
