Iss nagari ki reet hai ulati, koyi samajh na paaye  
Are sachche ko dukh dard mile, aur jhuta mauj udaayein  
Dheere dheere bol koyi sun lega sajana balama  
Dheere dheere bol aise bol koyi sun lega re koyi sun lega  
Jo sun na paaye koyi baaka sipaiya tohe baandhega aur mohe rakh lega  
Sajana balama  
Dheere dheere bol aise bol koyi sun lega re koyi sun lega  
Dheere dheere bol  
Haay kya batalaau haal main tujhako iss nagari ka gori  
Are gali gali mein sina jori, pal pal daaka chori  
O pal pal daaka chori  
Haay preet ki sundar basti hoon main rakhwaala tera  
Dagar dagar na dol akeli thaam le baiyaan mori  
O gori thaam le baiyaan mori  
O o o kaahe ko jiya tera bekal hai re jiya bekal hai  
Aaj raahon mein badi halchal hai re badi halchal hai  
Jo sun na paaye koyi chor uchakka saiyaan mori anguthi  
Mori nath lega, sajana balama  
Jara dheere dheere bol jara haula haula bol  
Koyi sun lega re koyi sun lega, dheere dheere bol  
Are dhanwaanoo ki iss duniya ke rang hai saare jhute  
Rang hai saare jhute  
Haay koyi kisiko dukh pohanchaaye, koyi kisiko lute  
Koyi kisiko lute  
Haan kaisi sachchi baat kahi hai ek kavi ne bhैया  
Rishwat leke fas jaaye toh rishwat deke chhute  
Ho raama rishwat deke chhute  
O o o...baaton mein tohe maja aata hai re maja aata hai  
Mera toh jiya ghabraata hai re ghabraata hai  
Jo sun na paaye koyi munsii daroga kiase paanch rupaiya mose das lega  
Sajana balama  
Dheere dheere bol aise bol koyi sun lega re koyi sun lega  
Dheere dheere bol
