Kuchh iss tarah se main jeevan saja liya
Kuchh iss tarah se main jeevan saja liya
Har baar ik naya chehara laga liya
Takdir ki lakeerein haathon mein ruk gayi
Kadmo ki aahaton se manjil thehar gayi
Apno ki aarju ko har pal mita diya
Har baar ik naya chehara laga liya
Dhundhe dil sadiyon se anjaani raahon mein
Chaahat ka ik lamha jeevan ki baahon mein
Apne rango mein rang de yeh duniya, reh jaayenge yeh nishaan
Tere iraade kadmo pe tere aaye jamin aasmaan
Dhal gaya hai yeh sama
Dhundhe dil sadiyon se anjaani raahon mein
Dhundhe dil sadiyon se anjaani raahon mein
Ho o o roshan hai ummide tere hi raahon mein
Leharon ki bechaini rehati hai kinaaron mein
Jalate hai parwaane ishq ke charaagon mein
Kab tak yu tadpegi apani hi aahon mein
Sapno ko aise dil mein chhupaau, khole na woh phir jubaan
Chaahe ho jitani lambi yeh raatein, pal bhar ki hai mehmaan
Chhut na jaaye haathon se tere, daaman bhare armaan
Dhal gaya hai yeh sama
Gumnaam hai jindagi, anjaan raaste
Chalate hai saath saath sadiyon ke faasale
Jine ki aarju ne mukhbir bana diya
Jine ki aarju ne mukhbir bana diya
Har baar ik naya chehara laga liya
Kuchh iss tarah se main jeevan saja liya
Har baar ik naya chehara laga liya
Har baar ik naya chehara laga liya
Dhundhe dil dhundhe dil sadiyon se sadiyon se
Anjaani anjaani raahon mein raahon mein
Chaahat ka chaahat kaA ik lamha ik lamha
Jeevan ki jeevan ki baahon mein
Dhundhe dil sadiyon se anjaani baahon mein
Chaahat ka ek lamha jeevan ki raahon mein
Dhundhe dil sadiyon se anjaani raahon mein.
