Dhuan uthha hai kahee aag jal rahee hogee
Asir roshanee bahar nikal rahee hogee
Dhuan uthha hai kahee aag jal rahee hogee
Yeh charo aur se aate huwe kayin basti
Jab ek dusare ke jism aake chhute hain
Koi toh hath mila kar nikal hoga
Kisike mod pe manjil badal gae hogee
Dhuan uthha hai kahee aag jal rahee hogee
Aseer roshanee bahar nikal rahee hogee
Har ek roj naya aasman khulata hai
Khabar nahee hai ke kal din kaa rang kya hoga
Palak se paneer gira hai toh usako girne do
Koi puranee tamanna pighal rahee hogee
Dhuan uthha hai kahee aag jal rahee hogee
Aseer roshanee bahar nikal rahee hogee
